

October 29, 2024

Good morning I.S. 201! I am Venice from 851, and I'm here on the behalf of the SEAL team for this Talk a lot Tuesday.

Today is International Artist Day, a time to celebrate the work of artists across various mediums, from painting and sculpture to music, writing, and more. This day raises awareness of the impact art has on society, enriching culture and human expression. It reminds us that art isn't just about making things look good, but about telling stories, connecting, and communicating with others.

Our school celebrates its artists through events like the 100-day anniversary t-shirt design, the 100-year anniversary door contest, and the upcoming Halloween chalk art contest. By embracing our creativity, we can discover new perspectives and build confidence. So, artists, keep creating and sharing your ideas with the world and students taking the SHSAT tomorrow, good luck.

Let's have a Think Creatively Tuesday

SEAL Team pledge:

We are the Dyker S.E.A.L. Team

Positivity is our dream

We teach it every day

To help others live the optimistic way

We learn to control our emotions and feelings

So, we always have effective social dealings

No stone left unturned; no person left behind

Every member of our team has the power to be kind

We spread kindness to our friends, families, and those who need a smile

When facing hardships and adversity, the S.E.A.L. Team goes the extra mile
