Good Morning Dyker! My name is Irene Qiu from class 731 and I am back speaking this Thoughtful Thursday on behalf of the S.E.A.L team.

Today is Marco Polo's birthday. If you don't know Marco Polo, he was a Venetian (vee-nee-shin) merchant, explorer, and writer. He was famous for his maps of Asia, which greatly helped many European explorers during the age of exploration. The SEAL Team encourages to become an explorer yourself. Discover the world through reading. I invite you to find a book that interests you and excites you. As Dr. Seuss once said "The more that you read, the more things you will know. The more that you learn, the more places you'll go.

Thanks for listening! Have a Thumbs-Up Thursday!
