

March 12, 2025

Good Morning I.S.201! My name is Esther Chen from class 752, and I am here for the Words of Wisdom Wednesday on behalf of the S.E.A.L team.

Today is National Plant a Flower Day, which encourages people to plant flowers and add beauty to their environment. This is a day to encourage everyone to brighten up our atmosphere by adding flowers. There's always room to add more color and life to your space.

Flowers not only add to the beauty of our environment but also play an important role in wildlife. Pollinators, especially bees, and butterflies, rely on flowers. While we help our wildlife, we continue to grow in our patience as we learn the importance of taking care of things in order for growth. You'll have to water the plant in all stages until it blooms into a beautiful flower.

Affirmation of the Day: I recognize the importance of humility in leadership.

Thank you for listening and have Whimsical Wednesday 😊

SEAL Team pledge:

We are the Dyker S.E.A.L. Team

Positivity is our dream

We teach it every day

To help others live the optimistic way

We learn to control our emotions and feelings

So, we always have effective social dealings

No stone left unturned; no person left behind

Every member of our team has the power to be kind

We spread kindness to our friends, families, and those who need a smile

When facing hardships and adversity, the S.E.A.L. Team goes the extra mile
