

June 24, 2025

Good morning I.S.201! This is Aila from class 613, here with you on this Talk A lot Tuesday on behalf of the SEAL Team.

June is National Rose Month, a time to appreciate roses that represent love and friendship. As roses bloom, we can also grow as people and in our relationships, by being kind and caring.

The Dyker Seal Team shows this spirit by creating a supportive community where everyone helps each other, like a beautiful garden on roses. By being kind and cheering each other on, we can all help make a lovely place where everyone does well, just like the idea of National Rose Month!

Thanks for listening and have a Thornless Tuesday 😊

SEAL Team pledge:

We are the Dyker S.E.A.L. Team

Positivity is our dream

We teach it every day

To help others live the optimistic way

We learn to control our emotions and feelings

So, we always have effective social dealings

No stone left unturned; no person left behind

Every member of our team has the power to be kind

We spread kindness to our friends, families, and those who need a smile

When facing hardships and adversity, the S.E.A.L. Team goes the extra mile
