

January 9, 2026

Good morning I.S.201! This is Grace Zhang from class 832, here with you on behalf of the S.E.A.L. Team.

Did you know that today is National Faith Day? National Faith Day is a day that focuses on believing in yourself, others, and the future. Faith doesn't always mean something specific, it can be about having hope during hard times or trusting that things will work out with effort and patience. This day encourages people to reflect on what keeps them motivated and helps them stay positive when challenges come up. It also reminds us that having faith can give people confidence and strength in their everyday lives.

National Faith Day also shows how faith can bring people together in a positive way. When people have faith, they are more likely to support each other, stay determined, and work toward their goals. It can inspire kindness, understanding, and teamwork in schools and communities. Overall, this day encourages everyone to stay hopeful, believe in progress, and keep moving forward even when things don't go their way.

Like Martin Luther King Jr., the affirmation of the day is, "Use peaceful actions to make things better."

Thanks for listening and have a Faithful Friday 😊

SEAL Team pledge:

We are the Dyker S.E.A.L. Team

Positivity is our dream

We teach it every day

To help others live the optimistic way

We learn to control our emotions and feelings

So, we always have effective social dealings

No stone left unturned; no person left behind

Every member of our team has the power to be kind

We spread kindness to our friends, families, and those who need a smile

When facing hardships and adversity, the S.E.A.L. Team goes the extra mile
